CHURCH OF THE ASCENSION WEDDING INSTRUCTIONS

These guidelines are for those planning to be married at Church of the Ascension. May Jesus bless your love with the power of His Holy Spirit!

The initial contact about marriage should be with the **Parish Secretary** & the **Rector**. You or your fiancé must be an active Episcopalian with a personal family history or association with Church of the Ascension. “Active” church members are those who are regular in attendance at services, & who are a giver of record to the financial support of the parish.

Weddings held in the Episcopal Church are governed by Canon law & traditions of long-standing at Church of the Ascension. A church wedding is any wedding solemnized by a priest of the Episcopal Church.

It is the tradition at Ascension that all weddings take place in the church building or on the grounds of the church. Home weddings are discouraged except in extenuating circumstances.

Please Consider the Following When Planning Your Wedding

- The Rector must have a minimum of 30 days notice of your intention to be married. This requirement is a Canon law of the Episcopal Church. The wedding date is subject to his approval.
-No weddings may be scheduled for Christmas Week or Holy Week.
-The Rector cannot give consent to solemnize the marriage of any couple whom he has not met. He must meet the couple before the wedding date can be made final on the church calendar. Invitations should not be ordered nor plans made involving the clergy or the use of church facilities before the Rector places it on the official church calendar.
-If the bride or groom has been divorced, it is necessary to obtain the consent of the bishop of this diocese before a priest may marry a couple. The process of making application to the bishop's office takes four to six weeks to complete.
-The Church also offers a special wedding service called “The Blessing of a Civil Marriage.”
- The couple must have three counseling sessions with the Rector, or a priest on staff. It is your responsibility to call & arrange for these meetings. If you are not available for counseling at Ascension, we can help you make arrangements with another Episcopal priest who may be located closer to you.
- It is within the discretion of the Rector to decline to solemnize any marriage for good reason.
-As soon as the date has been approved, please fill out & return a **Wedding Information Form** with a deposit of \$100 to hold the wedding date.
- The marriage license is the priest's authority from the State of Florida to perform a marriage. The marriage license must be in the parish office before the date of the rehearsal. No ceremony can be conducted until the license is in the hands of the Rector.
- Clergy & musicians, other than staff of this church, should not be invited to participate without first consulting with the Rector & the **Organist**.
- To assist in your planning, it is helpful to contact the Clergy, Wedding Coordinator & Organist at least 90 days prior to the wedding.

The Wedding Coordinator

- After the Rector, the next stop in planning your wedding is the **Wedding Coordinator**. She will tell you about church customs, & will ensure the smooth flow of your ceremony by coordinating with the Altar Guild, the sexton & other church staff. The Wedding Coordinator is also present at the rehearsal & the wedding to assist the clergy & the wedding party in preparation for the ceremony. The Wedding Coordinator is a member of the staff & is an integral part of your wedding. Please make an appointment with Drina Meyer --- by emailing drinam@yahoo.com --- as soon as your wedding has been scheduled on the church calendar.
